

Dear ElCitizens,

Commute between E-City West Phase to East Phase had been a matter of concern for ElCitizens and us as connectivity had been poor and erratic.

Elcita now has Four Intra E-City Free Shuttle Buses, which plied from opposite directions with most pickup and drop points having a bus passing by every 20 minutes.

We thank you for your overwhelming support and feed back. We are excited to announce that we have extended route No 1 and 3 upto Brand Factory on Neeladri Road with revised timings

Our buses are fitted with GPS and all around CCTV cameras. You would be able to track the position of the buses if you have installed the Elcita Citizen app for Android on your mobile.

For your convenience, we have embedded the route map and links.

Indicative timings of the buses are also enclosed. Timings are subject to variation due to traffic congestion on the roads.

We solicit your support in making the Intra E-City Free Shuttle Service a roaring success.

ELCITA

ELCITA is excited to announce that the much awaited El-Citizen App is now ready for use. We have launched the app for android users on Google Play store.

This App lets you:

- > Interact with ELCITA as and when you want
- > Track real time movement of shuttle buses
- > Spot and report gaps in Estate maintenance
- > Identify and raise complaints of road infrastructure (pot holes, pavement defects, traffic and parking violations)
- > and a host of other matters that you spot and wish to report.

> ELCITA Officers will attend to the reported issues
> You can track the progress on your complaints
> The application is integrated with a host of services available in Electronics City like Yulu Cycles, Bounce shared scooter service etc.
