Note:

- 1. This is an application only and does not constitute permission from ELCITA to use or operate Drone.
- 2. On receipt of the completed form and any further information required by ELCITA will be intimated to the applicant

3. No use of Drone is permitted within "e-City Industrial Township Area" until written permission from ELCITA received by the applicant.

By submitting this application, the applicant:

- 1. Confirms that the details provided by it in this application form are true, accurate and complete; and
- 2. Acknowledges that any permission granted by ELCITA will be granted strictly subject to the terms & conditions set out in the schedule to this application form, and agreed to be bound by those terms & conditions.

The following accompanying information should include:

- 1. CAA Certification
- 2. Map of proposed path of drone

SCHEDULE TO APPLICATION FOR PERMISSION TO USE DRONE WITHIN THE "e-City Industrial Township Area"

Terms & conditions applying to use of the Drone (If permission is granted by ELCITA)

1. License

In consideration of the obligations contained in this application form, ELCITA grants permission to operate the Drone within the "e-City Industrial Township Area", then it will do so on the basis of a non-transferable and non-exclusive license granted to the Applicant personally to operate the Drone at the Location(s) for the purpose during the use period only, and otherwise strictly subject to these terms & conditions and any other conditions set by ELCITA.

2. Operation

- **2.1.** Prior to use, the applicant ensure that the Drone is in good and safe working order generally, and that all proper safety precautions, checks and tests have been taken, including the testing of all safety and warning lighting and devices
- 2.2. In operating the Drone, the applicant shall ensure that;
 - a) The Drone is operated safely and for legitimate purposes only by properly qualified and skilled and competent persons, and not used for any purpose that is unsuitable for its technical or operational capabilities
 - b) No nuisance or disturbance is caused to industries / companies / educational institutions / business centres or any of the occupiers within "e-City Industrial Township Area"
 - c) The Drone is operated in full compliance with all applicable laws, regulation and codes of practice, directions and instructions issued by the Civil Aviation Authority.
 - d) The applicant shall immediately notify to ELCITA if any injury or damage caused by the Drone or its operation, including damage to any buildings, fixtures, structures, goods, vehicles or equipment, whether belonging to ELCITA or any other person

3. Acknowledgement

- 3.1. The applicant acknowledges and agrees that ELCITA shall not be liable to the Applicant or to any other person, whether in tort (including for negligence or breach of statutory duty), contract or otherwise, for any death, personal injury or damage (to property or otherwise) caused by the Drone or its operation
- 3.2. The applicant acknowledges that there is an inherent risk of physical injury or property damage being caused to anyone or anyone's property, connected to the operation of Drones and voluntarily assumes and willingly accepts all such risks.
- 3.3. Where the Drone is equipped with any camera or audio recording equipment, the Applicant acknowledges that ELCITA has not sought or obtained any consents in relation to the making, use or processing of any recordings so obtained.

ELCITA has the right at any time and for any reason to terminate the permission granted by it in connection with the Drone. The Applicant shall not be entitled to any refund of any fees paid in consideration of this permission in the event of termination.
